

Creative at home /Online Tools for Creatives
Script for Audacity activity:

What is Audacity?	15 min
Theoretical part	
<p>* Based on the tutorial from the Creative at home website: https://www.creativitycluster.eu/courses/audacity/ and presentation from the folder.</p> <ul style="list-style-type: none"> - Discussion about the program: Do you know what Audacity is? Have you ever used Audacity? How to use Audacity. Basic steps. Which options are your favorite? - Main features -Basic steps to use the tool -Available options 	
Practical part	
Work in groups	30 min
<ul style="list-style-type: none"> - Divide them in groups - Handover of topics *4 different topics to prepare the podcasts Topic 1: Street art Topic 2: What is art for you? Topic 3: What is important in the art work? Topic 4: Artists problems - Working time Every group needs to have a phone to record the podcasts and laptop with the audacity profile: https://www.audacityteam.org/ and A3 paper to make notes. All of the groups have around 30 minutes to prepare the podcasts. 	
Presentations of the group works and final comments	15 min
<p>Every group will now present their work to the rest of the participants. It is recommended that participants take notes on things they like about other groups projects.</p>	
In total	1h
