

## **Creative at home /Online Tools for Creatives**

### **Script for Emaze activity:**

|  |           |
|--|-----------|
| <b>What is Emaze?</b>  | 15 min    |
| <b>Theoretical part</b>  |           |
| <p>* Based on the tutorial from the Creative at home website: <a href="https://creativitycluster.eu/courses/emaze/">https://creativitycluster.eu/courses/emaze/</a> and presentation from the folder.</p> <ul style="list-style-type: none"> <li>- <b>Discussion about the program:</b><br/>Do you know what Emaze is?<br/>Have you ever used Emaze?<br/>How to use Emaze. Basic steps.</li> <li>- <b>Main features</b><br/>-Basic steps to use the tool<br/>-Available templates<br/>-Options</li> </ul>  |           |
| <b>Practical part</b>  |           |
| <b>Work in groups</b>  | 45 min    |
| <ul style="list-style-type: none"> <li>- <b>Divide</b> them in groups<br/>Participants are randomly divided into groups of more or less the same amount of participants each. The participants will now create a presentation, flier or document about a subject they are passionate about to present their work. They can choose from: gallery of the paintings, presentation of the music show, plan for the event and other topics that you need for you work.</li> <li>- <b>Working time</b><br/>Every group needs to have at least one working laptop and an Emaze account. All of the groups has around 30 minutes to prepare the</li> </ul> |           |
| <p><b>Presentations of the group works and final comments</b><br/>Every group will now present their work to the rest of the participants. It is recommended that participants take notes on things they like about other groups projects.</p>   | 10 min    |
| <b>In total</b>  | 1h 10 min |
